

NATURAL IS AS GOOD AS IT GETS

OUR COMPANY WAS STARTED

in 1999 by Jerry Good, who had studied in Thailand for three years and earned a master's degree at Bangkok University. Based in Seattle (USA) Amazing Elephant Corporation imported food and cookware from Thailand. We also developed strong relationships with American growers of exotic fresh herbs & vegetables, so our customers could enjoy the finest Thai cuisine.

In 2012 we started developing a line of high quality meals using only natural ingredients. Two years later, the best tasting packaged soups in the world are Made in USA under our Amazing Elephant brand.

我们公司是杰瑞·古德于1999年成立的。杰瑞·古德曾在泰国留学三年，并在曼谷大学获得硕士学位。AMAZING ELEPHANT CORPORATION是一家位于美国西雅图的公司，从泰国进口优质食品和炊具。我们也从事在美国培育的外来新鲜农产品及来自太平洋的野生海鲜的贸易。我们的客户包括饭店、宾馆和餐饮业的专业人士。最重要的是，我们每周都通过联邦快递和美国邮政把成百上千的产品从我们的仓库直接邮寄给美国各地的家庭。到目前为止，我们已经为超过14万名客户邮寄过产品。在2012年，我们开始仅用一些天然原料来开发一系列优质餐点。两年后，我们以“AMAZING ELEPHANT”品牌在美国生产了世界上最美味的包装汤品。

“NATURE IN A POUCH”

优质的原料，精良的工艺，技工“小批量”方法。我们热衷于提供优质的产品。我们深信，凭借我们多年的与最好的种植户和粮食供应者交易的经验，没有人能比我们做得更好。所有原料都非常新鲜 - 没有任何原料曾被冷冻过。

TOM KHA SMOKED SALMON

Inside every pouch is a generous handful (2 oz net weight) of premium wild Alaskan smoked salmon. Our salmon is soaked in our own simple, natural brine formula then put into a modern smoker, burning Oregon alder hardwood. After it comes out of the smoker, we hand-cut chunks perfect for the Tom Kha.

Sockeye salmon is a quality, lean, healthy fish that comes at a relatively high price, but we wouldn't have it any other way. The combination of flavors here is not just irresistible to your tastebuds; served over steamed rice, this soup is a delicious meal, offering plenty of healthy calories to carry you through the day.

熏鲑鱼椰汁鸡汤

每个蒸煮袋内都含有大量（56.7克）优质野生阿拉斯加熏鲑鱼。鲑鱼用我们自己的简单、天然卤水配方浸泡，然后放在一个现代化的熏制机内，燃烧俄勒冈赤杨硬木熏制。在从熏制机内出来后，我们用人工将鲑鱼切割成块，完美适合于椰汁鸡汤。然后，把新鲜制备的熏鲑鱼添加到蒸煮袋内，并且密封起来。红鲑鱼是一种优质的、含脂肪少的健康鱼类，而且售价相对较高，但我们不会用其他鱼类来代替红鲑鱼。多种风味相互结合绝对让您无法抗拒；这种汤可以用于蒸米饭，烹制美味可口的餐点，并且提供大量健康热量伴您度过每一天。

TOM KHA (NO MEAT)

If you like Tom Kha over rice, or with chicken or shrimp, here's a large (9 oz) serving. Simply heat and serve alone or add meat of your choice. Also very good with fresh mushrooms.

椰汁鸡汤（不含肉类）

如果您喜欢在大米上浇椰汁鸡汤，或者您喜欢在椰汁鸡汤中添加鸡肉或虾，这里有大量（255克）椰汁鸡汤可供您享用。您可以简单加热并且单独食用或者添加您选择的肉类。添加新鲜蘑菇也是不错的选择。

Premium ingredients, sophisticated technology, artisan “small batch” method. We're passionate about delivering a premium product, and confident that nobody can do it better. **Everything is Fresh—None of the Ingredients Have Been Frozen.**

RED ALBACORE CURRY

Complementing this smooth red curry are large pieces of wild-caught Pacific Albacore, potatoes, carrots, and a touch of lime & basil. Just add rice or eat right from the pouch! Spiciest heat.

红长鳍金枪鱼咖喱

这种红咖喱含有大块野生捕捞太平洋长鳍金枪鱼、土豆、胡萝卜以及少许柠檬和罗勒，口感爽滑。只需添加大米或开袋即食！辛辣。

YELLOW ALBACORE CURRY

Wild-caught Pacific Albacore tuna steeped in a rich yellow curry sauce, topped with hearty red potatoes & carrots. Just add rice or eat right from the pouch! Mild heat.

黄长鳍金枪鱼咖喱

采用野生捕捞的太平洋长鳍金枪鱼，将其沉浸在丰富的黄咖喱酱中，并且淋上营养丰富的红土豆和胡萝卜。只需添加大米或开袋即食！温热。

SMOKED SALMON CHOWDER

Wild, Alaskan, Red Sockeye Salmon in large chunks fill this hearty and healthy chowder, blended with potatoes, corn, celery, carrots & onions in a creamy sauce. Perfection in every pouch!

熏鲑鱼杂烩浓汤

这种丰盛且健康的浓汤中含有大块的野生的阿拉斯加红鲑鱼，添加有奶油酱，并且混合土豆、玉米、芹菜、胡萝卜和洋葱。每个蒸煮袋都尽善尽美！

SEAFOOD BISQUE

A French classic perfected in the Northwest! This smooth, creamy soup is loaded with Pacific Shrimp, Sockeye Salmon, & Sea Clams with roasted red peppers, diced vegetables, and natural seasoning. Bon Appetit!

海鲜浓汤

一种法国西北地区经典的完美浓汤！这种奶油浓汤口感爽滑，含有太平洋虾、红鲑鱼、海蛤以及烤红辣椒、切块蔬菜和天然调味料。愿您胃口好！

ONCE-COOKED TUNA AND
HEART-HEALTHY SALMON POUCHES

Most commercial tuna has been cooked twice to make processing easier, which unfortunately depletes much of the fish’s natural, nutritional value. Our Amazing Elephant Pacific Albacore Tuna and Alaskan Salmon is prepared by hand at ice-cold temperatures before being cooked just once, preserving a home-canned fresh taste and 6 times more of the tuna’s Omega3. So when you open this pouch you will simply find wholesome seafood delight.

We offer four distinct flavors to draw out the natural taste of our seafood: Sea Salt, Salt-Free, Smoked, and Jalapeño. So forget about the mess of draining oils or water, with our earth-friendly pouch, you can simply tear the seal and enjoy.

次烹制金枪鱼和有益于心脏健康的鲑鱼

大多数商业金枪鱼都经过两次烹制使加工更加容易，但不幸的是，这会大量减少金枪鱼的天然营养价值。我们的AMAZING ELEPHANT太平洋长鳍金枪鱼和阿拉斯加鲑鱼是由人工在冰冷的温度下制备的，然后仅烹制一次，以保持家庭罐装新鲜味道和6倍以上的金枪鱼OMEGA3。所以，当你打开蒸煮袋时，您会惊喜地发现有益健康的海鲜。我们提供四种不同风味，以彰显海鲜的天然美味：海盐、无盐、熏制和墨西哥辣椒。所以，不要担心流出的油或水会弄得一团糟，我们的蒸煮袋非常环保，易于撕开封口，请尽情享受。

STATE-OF-THE-ART TECHNOLOGY

Our products maintain excellent flavor thanks to advances made in material science. Amazing Elephant uses state-of-the-art technology, packaging our soup in a three-layer, flexible retort pouch. We offer today’s consumer a premium natural product in the most modern, convenient package that boasts many benefits.

Retort pouches are

- lighter and use less space than metal cans
- easily reheated by placing in boiling water for just a few minutes
- easy to open because of their tear notch
- microwave-safe

凭借我们在材料科学方面取得的进步，我们的产品能够保持绝佳的风味。AMAZING ELEPHANT采用最先进的技术，用三层软质蒸煮袋对汤品进行包装。所有天然食品都在高温与高压下经过灭菌和烹制，因此能够将餐点的风味密封在包装袋中，不易变质，保质期两年。蒸煮袋较轻，比金属罐占用较少的空间。放置在沸水中短短几分钟后便可加热。带有易撕齿状口，易于打开。我们的蒸煮袋也适合于微波炉加热。我们将高品质的天然产品装在最现代化的便捷包装中，呈现给当今的消费者。
